If you're behind on your shots, you may need these vaccines, too. Check with your provider.

- Chickenpox (varicella)
- Hepatitis A
- Hepatitis B
- MMR (measles, mumps, rubella)
- Tdap (tetanus, diphtheria, pertussis/whooping cough)
If you're pregnant, you'll need an additional dose.

Remember: Getting shots is better than getting these diseases. Don't miss out on everything life has in store for you. Get protected!
