Sports EKG Screenings

Who must obtain an EKG:

- All incoming **9th grade student athletes** (2026-2027)
- Any student in **grades 10-12** who has never participated in an FHSAA-sanctioned sport

Where to get EKG screenings:

- Check with your school district. Many schools are offering clinics all summer long.
- Contact the school athletic director or trainer.
- Visit WhoWePlayFor.org for local screening opportunities. (Click: register for a heart screening, pick state and county etc.) Next scheduled screening for Sarasota Co: **6/13/26, 10am to 1pm at 5881 Rand Blvd, Sarasota FL, 34238. \$20**
- Call and make an appointment with Baycare Cardiology **(727) 322-4830 Option #2**, for a **sports EKG. NO order needed. \$39.** Tues and Thurs at 5831 Bee Ridge Rd, Suite 200 Sarasota, FL 34233
- Take a copy of your child's **completed** sports physical to any of the **SMH Urgent Care** locations and request a sports EKG. The urgent care *must* have a copy of the sports form in order to do just the EKG, otherwise they will do another sports physical for a fee. (EKG only price undetermined at this time)
